

**Friends of the Black Run Preserve invite you to a  
Family Night at Marlton Middle School**

Last month Friends of the Black Run Preserve were awarded a “Community Impact” award from Mayor Veasy and Town Council. We are delighted to be recognized for our work, but even more thrilled that Township officials and constituents alike recognize the importance of the BRP to the community. We’re pleased to offer a special opportunity for you and your family to learn more about our special little corner of the Pinelands and how we all benefit from it.

Free Event for the Evesham School Community
