Highlights this week: Asian American & Pacific Islander Heritage Festival in our town this Sunday!; Masks Still Required at this Time; Vaccination Opportunity May 20 for Ages 12 & Up

Asian American & Pacific Islander Heritage Festival in our town this Sunday!

Evesham Township is hosting this free festival this Sunday from 1 pm to 4 pm on the grounds of the [Gibson House Community Center, 535 E. Main St.](#) The day will feature live performances, ethnic foods, art stations, and more. Our Congressman Andy Kim is a special guest. Please come on out for this fantastic event. For more information, please see the event flyer on our [Community Activities](#) webpage. See you there!

Masks Still Required at this Time

Masks are still required in our school district as they have been all year per our Reopening Plan. The most recent mask guidance released yesterday by the Center for Disease Control (CDC), which states that fully vaccinated people no longer need to wear a mask or socially distance in certain settings, does not change any aspect of our Reopening Plan at this time. As with each CDC guidance update throughout the pandemic, our district is awaiting further information specific to schools from the NJ Department of Health, the NJ Department of Education, and our county health department before determining any changes. If any changes are made, we will certainly communicate them as soon as possible.

CDC guidance released May 13:
