Advocacy for Bill [S3081](#)

Please consider visiting Save Our Schools NJ's [Pass School Funding Bill S3081](#) (simple 30-second process) to send an auto-generated email to all key senators urging approval of this Bill. Companion Bill A4161 was approved by the Assembly. S3081 would provide helpful aid and options for many districts including ETSD. Auto-generated email: "I'm contacting you today to urge your immediate action regarding bill S3081. It is imperative that this bill be posted to the Senate Budget & Appropriations Committee without delay. Time is of the essence for school districts and the impact of this bill cannot be overstated. Per New Jersey statute, school districts' budgets must be passed on May 7th and staff MUST receive notifications about their employment status by May 15th. Without a sufficient funding solution to obtain the necessary revenue, 146 districts face massive staff layoffs, diminished student support and security, cuts to athletics, and increased fees for families already struggling financially. I urge you to act today to prioritize the posting of bill S3081 to the Senate Budget & Appropriations Committee. Your support in this matter is vital to the well-being and future success of our children in all of the S2 districts."
