Dear Parents/Guardians:

The Evesham Township School District will again be offering a tuition-based full-day kindergarten program for the 2019-2020 school year. The curriculum used is aligned to what is currently being offered in our half-day program; however, extends early reading and math concepts, language development, fine and gross motor skills, related arts and social skills into a complete full-day academic program.

A full-day session will be offered at all six elementary schools. **A minimum of fifteen students per classroom is required in order for a session to be implemented.** There will also be a maximum number of students per classroom of eighteen. The cost for the program is \$5,500.00 for the year, and includes transportation for all families living within Evesham's bus zones.

In order to be considered for admission into this program, there are **three** requirements that must be met:

- Families must be residents of Evesham Township or ETSD employees
- Students must be five years of age on or before October 1, 2019
- Students must have up-to-date immunizations

If you are interested in enrolling your child in one of our classes, please fill out the attached application, and return it along with a non-refundable application fee of \$50.00 on or before **Friday, February 22, 2019** to: Evesham Township School District, Office of Curriculum & Instruction, 25 South Maple Ave., Marlton, NJ 08053.

As applicants are received, district personnel will assign a tracking number to each child who submitted an application. Registration opens annually December 1st and students are assigned to their home school on a first come, first served basis regardless of any special circumstances, such as older siblings within the school. If the number of applicants exceeds the number of available slots at any one school, students will be placed on a wait list at their home school and offered placement at another building within the district.

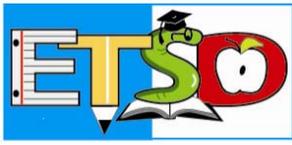

Letters to applicant families will be mailed on **Friday, March 1, 2019** to notify of acceptance and school placement based on final enrollment numbers. At that time, an Acceptance Form must be completed and returned by **Friday, March 15, 2019**.

If you have any questions about the program or need further information, please call Danielle Magulick at 856-983-1800, extension 5050.
