Dear Parents/Guardians:

The Evesham Township School District will again be offering a tuition-based preschool integrated program with half-day classes for three and four-year olds for the 2019-2020 school year. The goal of these inclusion programs are to bring together children with special needs with their typically developing peers in a collaborative classroom environment where students experience a variety of early reading and math concepts, language development, fine and gross motor skills, related arts and social skills. The curriculum used in these programs are state approved, developmentally appropriate, and based on best practice in early childhood education. The preschool programs are aligned to the district's kindergarten program, and taught by a certified teacher. In addition, each class will have two instructional assistants.

Both preschool inclusion programs will be held at Rice Elementary School. Each class will be comprised of approximately fifteen children, up to five may be classified as having special needs and about ten that are typically developing. Each section will last 2.5 hours per day, four to five days a week based on a predetermined preschool district calendar. The cost for the program is \$3,300.00 for the year, and **includes** transportation for all families living within Evesham's bus zones. Both the three and four-year old programs will have a morning and afternoon session. Families must be willing to accept placement in either A.M. or P.M. session.

In order to be considered for admission into this program, there are **four** requirements that must be met:

- Families must be residents of Evesham Township or ETSD employees
- Students must be the designated age of the class on or before October 1, 2019
- Students must be toilet trained
- Students must have up-to-date immunizations

If you are interested in enrolling your non-classified child in one of our classes, please fill out the attached application, and return it along with a non-refundable application fee of \$50.00 on or before **Friday, February 22, 2019** to: Evesham Township School District, Child Study Team, 25 South Maple Ave., Marlton, NJ 08053.

As applicants are received, district personnel will assign a tracking number to each child who submitted an application. Registration begins annually December 1<sup>st</sup> and students are placed on a first come, first served basis. If the number of applicants exceeds the number of available slots in a session, students will be placed on a wait list.

Letters to applicant families will be mailed on **Friday, March 1, 2019** to notify of acceptance based on final enrollment numbers. At that time, an Acceptance Form must be completed and returned by **Friday, March 15, 2019**. Failure to return this form by the deadline shall constitute a declination of enrollment.

When school personnel receive the Acceptance Form, class placement will be assigned and a registration date and time will be arranged for you. Applicants not initially offered admission will receive written notification regarding their placement on the wait list. Openings subsequently arising shall be filled from the wait list in the order they were received.

If you have any questions about the program or need further information, please call 856-983-1800 to speak with Danielle Magulick at extension 5050 or Nicole Espenberg at extension 5071.
